INTRODUCTION

These rules serve to promote that spirit of fairness, sportsmanship, and fun. The Rules Committee requires all coaches, captains, players, referees and fans to conduct themselves in a professional manner before, during and immediately following all games.

SPIRIT OF THE GAME

This kickball tournament in general relies upon a spirit of sportsmanship that places the responsibility for a fair and fun tournament. The purpose of this event is to serve as a fund raiser for the Housing Solutions Department of the Housing Authority of San Angelo. This Department supports a Basic Needs Closet, located at 2621 Junius. The proceeds of this event will assist in providing food, clothing, hygiene products and even furniture for those in need. We realize this is also about the love of the game and we recognize highly competitive play is going to happen, but it should never be at the expense of mutual respect among competitors, adherence to the agreed upon rulebook, or the basic joy of play.

We encourage all Players and Referees to protect the spirit of the game and to strive to eliminate unsportsmanlike conduct from the field. Such actions as taunting opposing players, dangerous aggression, belligerent intimidation, intentional infractions, or other 'win-at-all-costs' behavior are contrary to the Spirit of the Game and must be avoided by all players.

In the event the letter of the rules can be interpreted in a manner that conflicts with the spirit of this tournament, we reserve the right to protect the integrity and intent of this event.

SPIRIT OF THE RULES

Players and Referees are encouraged to obey the rules but acknowledge the spirit, whereas a Player may be obeying the literal interpretation of the words of the rule, but not necessarily the intent of the rule. In the event the letter of the rules can be interpreted in a manner that conflicts with the spirit of the entire rule-book, referees reserve the right to protect the integrity and intent of this tournament.

SPIRIT OF THE TOURNAMENT

The staff of the Housing Authority of San Angelo appreciate your support and willingness to honor the spirit of this event. We believe in our mission and our part in the community effort to make a positive impact in our neighbors lives. We hope to make this event an annual occurrence and hope that you enjoy playing in this tournament. The spirit of this tournament is a fun, competitive, team building event to raise funds to support the Housing Solutions team at HASA .

FEEDBACK ON THE EVENT

This being only our second Kickball Tournament, we appreciate your patience and willingness to work with us to make this a successful annual event. **Please provide any feedback you may have at the end of this event to Becki Salandy, HASA Executive Director at execdirector@sanangelopha.com.** Again, your support is appreciated and we welcome any suggestions you may have on ways to improve this event in the years to come.

We look forward to a fun spirited tournament and appreciate your support of the community effort to make a difference in San Angelo.

Incase Of Bad Weather

The game will be called in the event of inclement weather that leaves the field condition unplayable. HASA will attempt to reschedule any canceled games. If a game is called due to weather and less than 3 complete innings have been played, the game is canceled and will be rescheduled (and replayed starting at 0-0, top of the 1st). If 3 or more full innings have been played, the final score will be the score at the end of the last complete full inning.

ENFORCEMENT & DISCIPLINARY

Event Manager(s), the Event Head Referee-in-Charge, or any appointed individual or group charged with decision-making regarding conduct may issue Warnings, Cards, and/or Ejections for violations of these rules and/or other unsportsmanlike behavior.

Players are expected to behave in a manner consistent with the mission of the organization while (a) on the playing field, (b) interacting with the administration and officers and (c) dealing with the greater community. The same expectations exist for teams and other groupings of players.

No lower level of Enforcement is required to precede a higher level of Enforcement. A Game Head Referee may directly issue higher-level Enforcement, at their discretion.

DISCIPLINARY ACTIONS

At the time of issuing a disciplinary action the Game Head Referee must notify all Game Referee(s), and both Team Captain's of such instance.

If a warning is issued to a Player, Team Captain, Non-Playing Coach, and/or Fan, then the Game Head Referee must document the Name, level of warning, and reason at time of card being issued.

Prior to all games, the Game Head Referee must be notified of Players, Visitors, or Fans who have already received Enforcement under "Disciplinary Levels"

DISCIPLINARY LEVELS

Warnings (Lowest-Level Enforcement)

Player will receive a Warning for committing any of the following towards another Player, Referee, Visitor, or Fan in attendance. The following actions are examples only and are not a complete list: taunting; physical/verbal abuse; excessively delaying play; entering the field of play without the Game Head Referee's permission; deliberately leaving the field to delay the Game; stalling; colluding; inappropriately discussing of calls with the Referees/Event Staff; making an improper Substitution as described; repeatedly failing to comply with instructions of Referees and/or Event Staff concerning Rules and Game Play; engaging in any activity otherwise prohibited by the Event Facility rules, or local/state/federal law; and/or engaging in other unsportsmanlike behavior, as determined by the Game Head Referee.

Players will not receive a second Warning in the same Game for a related infraction.

The minimum sanction for such a Player will be a warning.

2nd Warning (Mid-Level Enforcement)

Player will receive a 2nd warning for committing any of the following towards another Player, Referee, Visitor, or Fan in attendance. The following actions are examples only and are not a complete list: Commits a reckless manner (for example, charging, pushing, tripping), commits a tactical foul designed to interfere with or impede an opposing team (e.g., pushing an opponent, blatantly holding an opponent or an opponent's uniform), commits an act which, in the opinion of the Game Head Referee, shows a lack of respect for the game (e.g., aggressive attitude, inflammatory behavior, slamming equipment, or taunting), fakes an injury or exaggerates the seriousness of an injury, interferes with or prevents the Fielder from releasing the kickball from the hands into play, and/or verbally distracts an opponent during play, etc.).

Player will receive a 2nd warning for a serious instance of conduct described in that, in the discretion of the Game Head Referee, requires stronger enforcement.

Any Player receiving a 2nd warning in a game will not receive the courtesy of a Warning for a subsequent infraction. The minimum sanction for such a Player will be ejection from the game

3rd Level Warning (Final)

A Player will receive a 3rd level warning for a particularly egregious instance of conduct described, for repeated instances of mis-conduct, or for fighting, extreme verbal abuse, lewd or obscene behavior, threatening behavior, and/or offensive language or comments.

Any Player receiving a 3rd warning in any Game will not receive the courtesy of a Warning or Yellow Card for any infraction in any subsequent Game.

The minimum sanction for such a Player will be ejection from the game/event.

This player must leave the vicinity of the Event and the area immediately. They Cannot be replaced on the Kicking Lineup by a bench player of the same sex. That player's spot in the Kicking Lineup now becomes an automatic out for that Team. They cannot be replaced by a substitute in the Defensive Fielding Lineup, forcing their team to play a player fewer of the player's same sex who was removed (e.g. Teams must play with nine (9) Defensive Fielders vs ten (10) Defensive Fielders OR seven (7) Defensive Fielders instead of eight (8) Defensive Fielders).

Teams entering COT are not eligible to add a player of the same sex to their Defensive Fielder position to replace the ejected player.

That Player will not be considered as being lawfully on the premises.

Failure of an ejected player to leave the premises of the facility will cause that player's team to forfeit any game it has progress in.

Visitors and Fans engaging in egregious instance conduct described above will be issued a 3rd warning and subjected to removal from vicinity of the event.

*** This year HASA is adding an "aggression jar" (similar to the swear jar concept). An aggression jar will be available in the dugouts, if you or your team do become aggressive or rowdy during the game, a donation to the cause is appreciated.
